

We are pleased to announce that Metis has received the “Excellence Award of Trustee Service” granted by Bloomberg Businessweek on 28th May, 2019! As a professional in the field, it is an honour to be recognized and today, whilst celebrating our 5th anniversary, we are proud to say we did it!

Metis has a unique market positioning that differentiates us with conventional Trustees. Our unrivaled investment strategies and market insights had led us to provide innovative Trust plans that are rare in the market. With our professional team members working wholeheartedly, we have strived to provide the best services to our clients across the Asia region.

*“It is a tremendous honour to receive this award, particularly Metis is relatively young and this is an incredible encouragement to each and every one of us. Metis was founded based on one goal, and that is to provide the highest standard of offshore trust services to our clients. We are proud to be able to keep pace with the industry’s predecessors and on the other hand, pleased that our trust services and products have been recognized for its quality, legality, and competency.” – Dr. German Cheung, Chairman of Metis Global and Metis Global (Cook Islands) Limited*
